Sing It!

Start of Something New

Written by Robbie Nevil and Matthew Gerrard

Living in my own world
Didn't understand
That anything can happen
When you take a chance
I never believed in
What I couldn't see
I never opened my heart
To all the possibilities
I know that something has changed
Never felt this way
And right here tonight

This could be the start
Of something new
It feels so right
To be here with you
And now looking in your eyes
I feel in my heart
The start of something new

Now who'd of ever thought that
We'd both be here tonight
And the world looks so much brighter
With you by my side
I know that something has changed
Never felt this way
I know it for real

This could be the start
Of something new
It feels so right
To be here with you
And now looking in your eyes
I feel in my heart
The start of something new

I never knew that it could happen
Till it happened to me
I didn't know it before
But now it's easy to see

It's a start
Of something new
It feels so right
To be here with you
And now looking in your eyes
I feel in my heart
That it's the start
Of something new
It feels so right
To be here with you
And now looking in your eyes
I feel in my heart
The start of something new
Start of something new

Get'cha Head in the Game

Written by R.. Cham/ G. Cham/ A. Seeley

Coach said to fake right
And break left
Watch out for the pick
And keep an eye on defense
Gotta run the give and go
And take the ball to the hole
But don't be afraid
To shoot the outside "J"

Just keep ya head in the game
Just keep ya head in the game
And don't be afraid
To shoot the outside "J"
Just keep ya head in the game

U gotta
Get'cha get'cha head in the game
We gotta
Get our, get our, get our, get our head in the game
(repeat 3x)

Let's make sure
That we get the rebound
'Cause when we get it
Then the crowd will go wild
A second chance
Gotta grab it and go
Maybe this time
We'll hit the right notes

Wait a minute
It's not the time or place
Wait a minute
Get my head in the game
Wait a minute
Wait a minute

I gotta
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game
(repeat 3x)

Why am I feeling so wrong
My head's in the game
But my heart's in the song
She makes this feel so right

(SPOKEN)
Should I go for it
Better shake this, yikes!

I gotta
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game
(repeat 4x)

What I've Been Looking For

Written by Andrew Dodd and Adam Watts
© 2006 Walt Disney Music Company (ASCAP)

Ryan: It's hard to believe
that I couldn't see

Together: You were always
there beside me
Thought I was alone
With no one to hold
But you were always right
beside me

Sharpay:
This feeling's like no other

Together:
I want you to know
I've never had someone that
knows me like you do
the way you do
I've never had someone as
good for me as you
no one like you so lonely

before I finally found
what I've been looking for

Sharpay:
So good to be seen
So good to be heard

Together:
Don't have to say a word

Ryan:
For so long I was lost
So good to be found

Together:
I'm loving having you around

Ryan:
This feeling's like no other

Together:
I want you to know

I've never had someone that
knows me like you do
The way you do
I've never had someone as
good for me as you
No one like you
So lonely before, I finally found
what I've been looking for

Together:
Doo Doo DooDoo
Doo Doo DooDoo
Do Do

Woa-ah-ah-oh

Troy:
It's hard to believe
That I couldn't see
You were always there beside
me

Gabriella:
Thought I was alone
With no one to hold

Both:
But you were always there
beside me
This feeling's like no other
I want you to know

CHORUS
Both:
I've never had someone that
knows me like you do
The way you do
I've never had someone as
good for me as you
No one like you
So lonely before I finally found
What I've been looking for

Stick to the Status Quo

Written by David Lawrence and Faye Greenberg

Zeke: You can bet
There's nothin' but net
When I am in a zone and on
a roll
But I've got a confession
My own secret obsession
And it's making me lose
control

Jocks:
Everybody gather 'round

Zeke (spoken):
Well if Troy can tell his secret
than I can tell mine...I bake

Jock (spoken):
What?

Zeke (spoken):
I love to bake! Strudels, scones,
even apple pandowdy

Jocks:
Not another sound

Zeke (spoken):
Someday I hope to make the
perfect crème brulée

Jocks:
No, no, no, nooooooooooo
No, no, no
Stick to the stuff you know
If you wanna be cool
Follow one simple rule
Don't mess with the flow,
no no
Stick to the status quo

Martha Cox:
Look at me
And what do you see
Intelligence beyond compare
But inside I am stirring
Something strange is occurring
It's a secret I need to share

Brainiacs:
Open up, dig way down deep

Martha Cox (spoken):
Hip hop is my passion! I love
to pop and lock and jam and
break!

Braniac (spoken):
Is that even legal?

Brainiacs:
Not another peep

Martha (spoken):
It's just dancing. Sometimes
I think it's cooler than
homework.

Brainiacs:
No, no, no, nooooooooooo
No, no, no
Stick to the stuff you know
It is better by far
To keep things as they are
Don't mess with the flow,
no no
Stick to the status quo

Skaterdude:
Listen well
I'm ready to tell
About a need that I cannot
deny
Dude, there's no explanation
For this awesome sensation
But I'm ready to let it fly

Dudes & Dudettes:
Speak your mind and you'll

be heard

Skaterdude (spoken):
Alright, if Troy wants to be a singer... then I'm coming clean! I play the cello!

Dude 1 (spoken):
Awesome!

Dude 2 (spoken):
What is it?

Dude 1(spoken):
A song!

Skaterdude (spoken):
No, dude, it's like a giant violin!

Dudes & Dudettes:
Not another word

Dude 2 (spoken):
Do you have to wear a costume?

Skaterdude (spoken):
Coat and tie

Dudes & Dudettes:
No, no, no, nooooooooooo
No, no, no
Stick to the stuff you know
If you wanna be cool
Follow one simple rule
Don't mess with the flow,
no no
Stick to the status
quooooooooo

Jocks, Brainiacs, & Dudes:
No, no, no
stick to the stuff you know
It is better by far
To keep things as they are
Don't mess with the flow,
no no
Stick to the status quo

Sharpay:
This is not what I want
This is not what I planned
And I just gotta say
I do not understand
Something is really

Ryan:
Something's not right

Sharpay:
Really wrong

Sharpay & Ryan:
And we gotta get things
Back where they belong
We can do it

Skaterdude:
Gotta play

Dudes & Dudettes:
Stick with what you know

Sharpay & Ryan:
We can do it

Martha Cox:
Hip hop hooray

Brainiacs:
She has got to go

Sharpay & Ryan:
We can do it

Zeke:
Crème Brulée

Jocks:
Keep your voice down low

Jocks, Brainiacs & Dudes/ Dudettes:
Not another peep
No, not another word
No, not another sound
No

Sharpay:
Everybody quiet

Gabriella(spoken):
Why is everybody staring at you?

Monique(spoken):
Not me, you.

Gabriella(spoken):
Because of the callbacks? I can't have people staring at me! I really can't!

Jocks, Brainiacs...:
Nooooooooooooo, no, no, no
Stick to the stuff you know
If you want to be cool
Follow one simple rule
Don't mess with the flow, oh no
Stick to the status
quooooooooooooo
No, no, no
Stick to the stuff you know
It is better by far
To keep things as they are
Don't mess with the flow, no no
Stick to the status
Stick to the status

When There Was Me and You

Written by Jamie Houston
© 2006 Walt Disney Music Company (ASCAP)

It's funny when you find yourself
Looking from the outside
I'm standing here but all I want
Is to be over there
Why did I let myself believe
Miracles could happen
Cause now I have to pretend
That I don't really care

I thought you were my fairytale
A dream when I'm not sleeping
A wish upon a star
That's coming true
But everybody else could tell
That I confused my feelings
with the truth
When there was me and you

I swore I knew the melody
That I heard you singing
And when you smiled
You made me feel
Like I could sing along
But then you went and
changed the words
Now my heart is empty
I'm only left with used-to-be's

Once upon a song

Now I know you're not a fairytale
And dreams were meant for sleeping
And wishes on a star
Just don't come true
Cause now even I tell
That I confused my feelings with the truth
Cause I liked the view
When there was me and you

I can't believe that
I could be so blind
It's like you were floating
While I was falling
And I didn't mind

Cause I liked the view
Thought you felt it too
When there was me and you

Bop to the Top

Written by Kevin Quinn and Randy Petersen
© 2006 Wonderland Music Company, Inc. (BMI)

Sharpay:
I believe in dreamin'
Shootin' for the stars

Ryan:
Baby to be number one
You've got to raise the bar

Sharpay:
Kickin' and a scratchin'
Grindin' out my best

Ryan:
Anything it takes
To climb the ladder of success

Both:
Work our tails off every day
Gotta bump the competition
Blow them all away

Sharpay:
Yeah we're gonna

Both:
Bop, bop, bop
Bop to the top

Ryan:
Slip and slide and ride that rhythm

Both:
Jump and hop hop 'til we drop

Sharpay:
And start again

Zip zap zop
Pop like a mop

Ryan:
Scoot around the corner

Both:
Move it to the groove
'Til the music stops
Do the bop bop, bop to the top
Don't ever stop
Bop to the top

Gimmie, gimmie
Shimmy shimmy
Shake some booty and turn around
Flash a smile in their direction

Sharpay:
Show some muscle

Ryan:
Do the hustle

Both:
Yeah we're gonna bop, bop, bop
Bop to the top

Ryan:
Wipe away your inhibitions

Both:
Stump, stump, stump do the rump

Sharpay:
And strut your stuff

Both:
Bop, bop, bop
Straight to the top
Going for the glory
We'll keep stepping up
And we just won't stop
'Til we reach the top
Bop to the top

Breaking Free

Written by Jamie Houston
© 2006 Walt Disney Music Company (ASCAP)

Troy:
We're soarin', flyin'
There's not a star in heaven
That we can't reach

Gabriella:
If we're trying
So we're breaking free

Troy:
You know the world can see us
In a way that's different than who we are

Gabriella:
Creating space between us
'Til we're separate hearts

Both:
But your faith it gives me strength
Strength to believe

CHORUS #1
Troy: We're breakin' free

Gabriella: We're soarin'

Troy: Flyin'

Both:
There's not a star in heaven
That we can't reach

Troy: If we're trying

Both: Yeah, we're breaking free

Troy: Oh, we're breakin' free

Gabriella: Ohhhh

Troy:
Can you feel it building
Like a wave the ocean just

can't control

Gabriella:
Connected by a feeling
Ohhh, in our very souls

Both:
Rising 'til it lifts us up
So every one can see

CHORUS #2
Troy: We're breakin' free

Gabriella: We're soarin'

Troy: Flyin'

Both:
There's not a star in heaven
That we can't reach

Troy:
If we're trying
Yeah we're breaking free

Gabriella:
Ohhhh runnin'

Troy:
Climbin'
To get to that place

Both:
To be all that we can be

Troy:
Now's the time

Both:
So we're breaking free

Troy:
We're breaking free

Gabriella:
Ohhh , yeah

Troy:
More than hope
More than faith

Gabriella:
This is true
This is fate
And together

Both:
We see it comin'

Troy:
More than you
More than me

Gabriella:
Not a want, but a need

Both:
Both of us breakin' free

CHORUS #3
Gabriella: Soarin'

Troy: Flyin'

Both: There's not a star in heaven
That we can't reach
If we're trying

Troy: Yeah we're breaking free

Gabriella: Breaking free
Were runnin'

Troy: Ohhhh, climbin'

Both:
To get to the place
To be all that we can be
Now's the time

Troy: Now's the time

Gabriella: So we're breaking free

Troy: Ohhh, we're breaking free

Gabriella: Ohhhh

Both:
You know the world can see us
In a way that's different than who we are

We're All in This Together

Written by Robbie Nevil and Matthew Gerrard
© 2006 Walt Disney Music Company (ASCAP)

Together, together, together everyone
Together, together, come on let's have some fun
Together, we're there for each other every time
Together together come on let's do this right

Here and now it's time for celebration
I finally figured it out (yeah yeah)
That all our dreams have no limitations
That's what it's all about

Everyone is special in their own way
We make each other strong (each other strong)
We're not the same
We're different in a good way
Together's where we belong

We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true

Together, together, together everyone
Together, together, come on let's have some fun
Together, we're there for each other every time
Together together come on let's do this right

We're all here
and speaking out with one voice
we're going to rock the house
(rock the house)

the party's on now everybody
make some noise
come on scream and shout

We've arrived because we
stuck together
Champions one and all
We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come

We're all in this together
When we reach
We can fly
Know inside
We can make it
We're all in this together
Once we see
There's a chance
That we have
And we take it

Wildcats sing along
Yeah, you really got it goin' on
Wildcats in the house
Everybody say it now
Wildcats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Time to show the world
We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come

We're all in this together
When we reach
We can fly
Know inside
We can make it
We're all in this together
Once we see
There's a chance
That we have
And we take it

Wildcats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Come on everyone!

I Can't Take My Eyes Off of You

Written by Robbie Nevil and Matthew Gerrard
© 2006 Walt Disney Music Company (ASCAP)

Troy:
Ya never know what you're
gonna feel, oh
Ya never see it comin' suddenly
it's real

Gabriella:
Oh, never even crossed my
mind, no
That I would ever end up here
tonight

Both:
All things change
When you don't expect
them to
No one knows
What the future's gonna do
I never even noticed
That you've been there all
along

CHORUS
Troy & Gabriella:
I can't take my eyes off of you
I know you feel the same way
too, yeah
I can't take my eyes off of you
All it took . . . was one look
For a dream come true

Ryan:
Yeah, we got a good thing
goin' on

Sharpay:
Oh, right here is right where
we belong

Both:
You never really know what
you might find
Now all I see is you and I
You're everything I never knew
That I've been looking for

CHORUS
Ryan & Sharpay

All:
Can't take my eyes off of you
Oh, oh, oh yeah
So let the music play
Can't take my eyes off of you
Yeah, the feeling's getting
stronger
And I never ever felt this way

Alright, I see everything
In your eyes. . . oh yeah
Alright, something's happening
Cause everyone's around but
You're the only one I see

CHORUS
I can't take my eyes off of you
Feelings like I never knew
I can't take my eyes off of you
From the start. . . got my heart
Yeah, you do
Can't take my eyes off you

Work This Out

Written by Kevin Quinn and Randy Petersen

Chad: How did we get from
the top of the world to the
bottom of the heap?

Taylor: I don't recall you
mentioning the boss is such
a creep

Zeke: We still have the
ingredients to make this
summer sweet

Martha:
(Well) I got rags instead of
riches

Jason:
And all these dirty dishes

Cast:
Just wish I had three wishes

Troy: *Hey, listen up*

Troy: We've got to work...
work...to work this out
We'll make things right... the
sun will shine
If we work...work...there'll be
no doubt
We can still save the
summer...if we work this out

Chad: *Dude...what have you
gotten us into?*

Troy: *Come on...we can totally*

turn this thing around!

Chad:
I'd rather face a seven footer
straight up in the post (yeah)

Taylor:
That sure beats hangin' here…

Taylor & Martha:
…and burnin' someone's toast
(uh huh)

Jason: I needed benjamins but
this ain't worth the stress

Kelsi:
Maybe there's a better way to
fix this greasy mess

Troy:

words are translated in green)
Lowercase = spoken

Sharpay: Remember there's
still a lot of work to be done
on the set, but we're going for
something very tribal, yet very
today. Think Tahiti chic with a
Polynesian pulse as funneled
through my artistic sensibilities.
This first part sets the scene.

Sharpay:
NA, NA, NA, NA
NA, NA, NA, NA, yeah
You are the music in me…

NA, NA, NA, NA
NA, NA, NA, NA, yeah
You are the music in me…

VERSE 1

Sharpay:
You know the words "once
upon a time"
Make you listen, there's a
reason
When you dream there's a
chance you'll find
A little laughter, or happy ever
after
You're a harmony to the
melody
That's echoing inside my head
A single voice above the noise
And like a common thread
You're pulling me

CHORUS
Sharpay & Troy:
WHEN I HEAR MY FAVORITE
SONG
I KNOW THAT WE BELONG
YOU ARE THE MUSIC IN ME
IT'S LIVING IN BOTH OF US
IT'S BROUGHT US HERE
BECAUSE
YOU ARE THE MUSIC IN ME

SING-A-LONG
NA, NA, NA, NA
NA, NA, NA, NA, yeah
You are the music in me…

I Gotta Go My Own Way

Written by Andrew Dodd and Adam Watts
© 2007 Walt Disney Music Company (ASCAP)

VERSE 1
Gabriella: I gotta say what's
on my mind
Something about us doesn't
seem right… these days
Life keeps getting in the way
Whenever we try
Somehow the plan is always
rearranged

PRE-CHORUS
It's so hard to say
But I gotta do what's best
for me

You'll be okay…

CHORUS
I'VE GOT TO MOVE ON,
AND BE WHO I AM
I JUST DON'T BELONG
HERE
I HOPE YOU UNDERSTAND
WE MIGHT FIND OUR
PLACE IN THIS WORLD
SOMEDAY
BUT AT LEAST FOR NOW
I GOTTA GO MY OWN WAY

VERSE 2
Don't wanna leave it all behind
But I get my hopes up and I
watch them fall every time
Another color turns to grey
And it's just too hard… to
watch it all… slowly fade away

PRE-CHORUS
I'm leavin' today
Cause I gotta do what's best
for me
You'll be okay

CHORUS
I'VE GOT TO MOVE ON,
AND BE WHO I AM
I JUST DON'T BELONG
HERE
I HOPE YOU UNDERSTAND
WE MIGHT FIND OUR
PLACE IN THIS WORLD
SOMEDAY
BUT AT LEAST FOR NOW
I GOTTA GO MY OWN WAY

BRIDGE
Troy: What about us? What
about everything we've been
through?

Gabriella:
What about trust?

Troy: You know I never
wanted to hurt you

Gabriella: What about me?

Troy: What am I supposed to
do…….

Gabriella:
I gotta leave but I'll miss you

Troy: …miss you.

CHORUS
Gabriella lead, Troy adlibs:
I'VE GOT TO MOVE ON,
AND BE WHO I AM
I JUST DON'T BELONG
HERE
I HOPE YOU UNDERSTAND
WE MIGHT FIND OUR
PLACE IN THIS WORLD
SOMEDAY
BUT AT LEAST FOR NOW
I GOTTA GO MY OWN WAY

I'VE GOT TO MOVE ON,
AND BE WHO I AM

Bet On It

Written by Antonina Armato and Tim James
© 2007 Walt Disney Music Company (ASCAP)

VERSE 1
Everybody's always talking
at me
Everybody's tryin' to get in
my head
I wanna listen to my own heart
talking
I need to count on myself
instead
(did you ever)
lose yourself to get what you
want?
(did you ever)
get on a ride then wanna
get off
(did you ever)
push away the ones you
should've held close
did you ever let go did you
ever not know

CHORUS
I'M NOT GONNA STOP,
THAT'S WHO I AM
I'LL USE THIS HEART I GOT,
THAT IS MY PLAN
WILL I FIND WHAT I LOST,
YOU KNOW YOU CAN
BET ON IT, BET ON IT, BET
ON IT, BET ON IT
I WANNA MAKE IT RIGHT,
THAT IS THE PLAY
TO TURN MY LIFE AROUND,
I'LL FIND A WAY
AM I THE TYPE OF GUY
WHO MEANS WHAT I SAY?
BET ON IT, BET ON IT, BET
ON IT, BET ON IT

VERSE 2
How will I know if there's a
path worth taking
Should I question every move
I make
With all I've lost, my heart is
breaking
I don't want to make the same
mistakes
(did you ever)
doubt your dream will ever
come
(did you ever)
blame the world but never
blame you
(I will never)
try to live a lie again
I don't wanna win this game if I
can't play it my way

CHORUS
I'M NOT GONNA STOP,
THAT'S WHO I AM
I'LL USE THIS HEART I GOT,
THAT IS MY PLAN
WILL I FIND WHAT I LOST,
YOU KNOW YOU CAN
BET ON IT, BET ON IT, BET
ON IT, BET ON IT
I WANNA MAKE IT RIGHT,
THAT IS THE PLAY
TO TURN MY LIFE AROUND,
I'LL FIND A WAY
AM I THE TYPE OF GUY
WHO MEANS WHAT I SAY?
BET ON IT, BET ON IT, BET
ON IT, BET ON IT

BRIDGE
It's no good at all to see
yourself
And not recognize your face
Out on my own…it's such a
scary place
The answers are all inside
of me
All I got to do is believe

CHORUS
I'M NOT GONNA STOP,
THAT'S WHO I AM
I'LL USE THIS HEART I GOT,
THAT IS MY PLAN
WILL I FIND WHAT I LOST,
YOU KNOW YOU CAN
BET ON IT, BET ON IT, BET
ON IT, BET ON IT
I WANNA MAKE IT RIGHT,
THAT IS THE PLAY
TO TURN MY LIFE AROUND,
I'LL FIND A WAY
AM I THE TYPE OF GUY
WHO MEANS WHAT I SAY?
BET ON IT, BET ON IT, BET
ON IT, BET ON IT

Everyday

VERSE 1
A once in a lifetime means
there's no second chance
So I believe that you and me
Should grab it while we can
Make it last forever
Never give it back
It's our turn, and I'm lovin'
where we're at
Because this moment's really
all we have

CHORUS
EVERYDAY OF OUR LIVES
WANNA FIND YOU THERE,
WANNA HOLD ON TIGHT
GONNA RUN WHILE WE'RE
YOUNG
AND KEEP THE FAITH
EVERYDAY, FROM RIGHT
NOW
GONNA USE OUR VOICES
AND SCREAM OUT LOUD
TAKE MY HAND, TOGETHER
WE WILL CELEBRATE
EVERYDAY

VERSE 2
They say you should follow
And chase down what you
dream
But if you get lost and lose
yourself
What does it really mean?
No matter where we're going
It starts from where we are
There's more to life when I
listen to my heart
And because of you I have the
strength to start

CHORUS
EVERYDAY OF OUR LIVES
WANNA FIND YOU THERE,
WANNA HOLD ON TIGHT
GONNA RUN WHILE WE'RE
YOUNG
AND KEEP THE FAITH
EVERYDAY, FROM RIGHT
NOW
GONNA USE OUR VOICES
AND SCREAM OUT LOUD
TAKE MY HAND, TOGETHER
WE WILL CELEBRATE
EVERYDAY

BRIDGE
We're taking it back
We're doing it here together
It's better like that
And stronger now than ever
We're not gonna lose
(cause) we get to choose
That's how it's gonna be

BREAKDOWN
Troy, Gabriella, Chad, Taylor, Ryan, Sharpay, Others: Everyday, everyday, everyday, everyday…

I don't want another pretty
face
I don't want just anyone to
hold
I don't want my love to go to
waste
I want you and your beautiful
soul
You're the one I wanna chase
You're the one I wanna hold
I won't let another minute go
to waste
I want you and your beautiful
soul

I know that you are something
special
To you I'd be always faithful
I want to be what you always
needed
Then I hope you'll see the
heart in me

I don't want another pretty
face
I don't want just anyone to
hold
I don't want my love to go to
waste
I want you and your beautiful
soul
You're the one I wanna chase
You're the one I wanna hold
I won't let another minute go
to waste
I want you and your beautiful
soul

Your beautiful soul, yeah
You might need time to think
it over
But I'm just fine moving
forward
I'll ease your mind
If you give me the chance
I will never make you cry
c'mon let's try

I don't want another pretty
face
I don't want just anyone to
hold
I don't want my love to go to
waste
I want you and your beautiful
soul
You're the one I wanna chase
You're the one I wanna hold
I won't let another minute go
to waste
I want you and your beautiful
soul

Am I crazy for wanting you
Baby do you think you could
want me too
I don't wanna waste your time
Do you see things the way I do
I just wanna know if you feel
it too
There is nothing left to hide

I don't want another pretty
face
I don't want just anyone to
hold
I don't want my love to go to
waste
I want you and your beautiful
soul
You're the one I wanna chase
You're the one I wanna hold
I won't let another minute go
to waste
I want you and your beautiful
soul

You beautiful soul, yeah.

CHORUS
And I ask myself
Who do I wanna be?
Do I wanna throw away the key?
And invent a whole new me
and I tell myself
No One, No One
Don't wanna be
No One
But me..

You are moving through the crowd
Trying to find yourself
Feel like a doll left on a shelf
Will someone take you down?

CHORUS
And you ask yourself
Who do I wanna be?
Do I wanna throw away the key?
And invent a whole new me
Gotta tell yourself
No One, No One
Don't wanna be
No One
But me..

Your life plays out on the shadows of the wall
You turn the light on to erase it all
You wonder what it's like to not feel worthless
So open all the blinds and turn the curtains

No One, No One
Don't wanna be
No One
But me..

We are moving through the crowd...

We don't have to try
To think the same thoughts
We just have a way
Of knowing everything's gonna be ok

We'll laugh 'til we cry
Read each others minds
Live with a smile
Make it all worthwhile
Make it all worthwhile
Life has moments hard to describe
Feeling great and feeling alive
Never coming down from this mountain we're on

Always knowing we're gonna be fine
Feeling great and feeling alive
Never coming down from this mountain were on
The feeling's so clear
And it's crazy up here
Life is amazing with you on the ride

We don't wanna sleep
Just wanna stay up
There's so much to say
And not enough hours in the day

We'll laugh 'til we cry
Read each others minds
Live with a smile
Make it all worthwhile
Make it all worthwhile

Life has moments hard to describe
Feeling great and feeling alive
Never coming down from this mountain we're on

Always knowing we're gonna be fine
Feeling great and feeling alive
Never coming down from this mountain we're on
The feeling's so clear
And it's crazy up here
Life is amazing with you on the ride

No time to be lazy
The journey is perfect
The pace is so crazy
The race is so worth it
I will be with you
We'll do this together
Always together
Life has moments hard to describe
Feeling great and feeling alive
Never coming down from this mountain we're on
(mountain we're on)

Always knowing we're gonna be fine
Feeling great and feeling alive
Never coming down from this
Never comin' down
Never comin' down
Never comin' down (from this)

Always knowing were gonna be fine
Feeling great and feeling alive
Never coming down from this mountain were on
(Never coming down from this)

The feeling's so clear and it's crazy up here
Life is amazing with you on the ride
The place so is crazy
The race is so worth it
Life is amazing with you on the ride

Cheetah Sisters

There's a time when we all choose
To either quit or follow through
To just loose faith
Or trust your heart
To somehow lead you through the dark
You're not the only one who's dreamin'
And who needs help to carry

on
We might get lonely but we're not alone

[GUITAR SOLO]

'Cause we are sisters
We stand together
We make up one big family
though we don't look the same
Our spots are different
Different colors
We make each other stronger
That ain't ever gonna change
We're cheetah girls cheetah sisters

Gotta do what we gotta do
Got the brains, got the power
and we speak the truth
We're from everywhere around the world
So ya best respect the cheetah girls
Dancin', singin' from our birth
Workin' hard for what we deserve
Trying not to break the rules
'Cause mama didn't raise no fools
It may seem we're only dreamin'
And we need help to carry on
It's good to know we're not alone

'Cause we are sisters
We stand together
We make up one big family
though we don't look the same
Our spots are different
Different colors
We make each other stronger
That ain't ever gonna change
Believe it, mister
We're cheetah girls cheetah sisters

Someone's always there behind
To catch us if we fall

'Cause we are sisters
We stand together
We make up one big family
though we don't look the same

All Good Now

I've been there once or twice
Wish that it were easy to
cruise through this life
Movin' fast, sparks can fly
Sometimes you go to pieces
Just before you get it right

Sooner or later when the dust
is clear, the sun comes out
You're still here
Look at what you've found
Sooner or later when the dust
is clear, the sun comes out
You're still here
Look at what you've found

Figure it out, it's simple when
you think about it
Who you are inside let it out
Wanna be is coming around
Everything you wanna be is
coming around

It's all good now
I believe you can shine
If you have to grab the stars
right out of the sky
Don't look back
Close your eyes
Sometimes you have to see it
from your heart to get it right

Sooner or later when the dust
is clear, the sun comes out
You're still here
Look at what you've found
Figure it out, it's simple when
you think about it
Who you are inside let it out
Everything you wanna be is
coming around

It's all good now
It all works out
You'll see, it all comes down to
taking chances, living life
You're just in time to get it
right
Sooner or later when the dust
is clear, the sun comes out
You're still here
Look at what you've found
Figure it out, it's simple when
you think about it
Who you are inside let it out
Sooner or later when the dust
is clear, the sun comes out
You're still here
Look at what you've found
Figure it out, it's simple when
you think about it
Who you are inside let it out
Everything you wanna be is
coming around
It's all good now
It's all good now
It's all good now

I Will Be Around

Written by Andrew Dodd and Adam Watts

You said your time was
running out
You're far from where you
wanna be
You're hanging in the lost and
found
You're losing touch with
everything
And when you need someone
to lean on
I will be around when you
think it's over

I won't let you down if your
luck runs out
And when it feels like life is
holding you down
Whenever you need me I will
be around
I won't let you down if your
luck runs out
And when you feel like life is
holding you down
Whenever you need me I will
be around

You're worried you can barely sleep
Yeah everyone is watching you
You're scared of things you can't see
And you don't quite know what to do

But when you need someone to lean on
I will be around when you think it's over
I won't let you down if your luck runs out
I will be around when you think it's over
I won't let you down if your luck runs out
And when you feel like life is holding you down
Whenever you need me I will be around

Don't worry this won't last forever
You'll be alright better late than never
I will be around when you think it's over
I won't let you down if your luck runs out
I will be around when you think it's over
I won't let you down if your luck runs out
And when it feels like life is holding you down
Whenever you need me
Whenever you need me
I will be around

Counting on You

Written by Bryan Louiselle

Get ya head in the game

There's a choice that you have to make
And it's pretty plain to see
You're either out or in
You either lose or win

Are you gonna turn your back on history
On the legend that you're a part of
On the job that you were born to do

Don't let us down
You gotta come through, 'cause we're
Counting on counting on counting on you

I don't think so
Check out the champions who played before
Hail the hero that you could be
And put away that dream
Cause there's no "I" in team
And the sacrifice is worth it
We all agree

You just have to keep your focus
And forget about you-know-who
Don't let us down
You've gotta come through
'Cause we're counting on you

You're next in line
You're born of the chain
And now that we can make it
Don't break it
That's what everyone says
You're the heir of parents

Indira Ghandi
Rosa Parks
Amelia Earhart
To Gabriela Montez
Gabriela Montez
Bolton Bolton Bolton Bolton Bolton

Now the pressure is way up high
Which way are you gonna go
You gonna sing a song
Or are you gonna be strong
Trade your fantasies in for the thing you know
The destiny you've been handed
The only thing that you can do

Don't let us down
You gotta come through
'Cause we're counting on you
Now we're counting on you
We're counting on you

So don't let us down
We gotta come through
We're counting on
Counting on
Counting on
Counting on
